## Nixon Pressing For 1st Ballot Victory

MIAMI BEACH, Fla. (AP) — Richard M. Nixon's top strategists now favor a risky, all-out attempt to win the Republican presidential nomination on the first ballot when the GOP convention votes one week from today.

The former vice president will make the final decision himself early next week on whether to attempt to grab off the nomination at the first chance or play it cool for a second ballot opportunity.

He will lean heavily in this decision on the advice of his campaign manager, John N. Mitchell, Richard Kleindienst, Robert Ellsworth, R. J. Haldeman, and Herbert G. Klein, his press director. They make up the inner circle of Nixon's advisers.

**Could Defeat Him**  
There are some out-sized political risks involved in a blitz attempt. Failure conceivably could cost Nixon the nomination.

The tactical move would involve riding roughshod over fa-

vorite son candidates who might be more amenable to supporting Nixon after they have had a moment of glory on national television with formal nomination for the nation's highest office.

Beyond this, however, lies the political desire of these heads of state delegations to claim they supplied the necessary votes for the nomination of the party's standard bearer when he needed them.

**"Bossism" Peril**  
A first-ballot victory would subject Nixon to charges that "bosses" had chosen the nominee without free consideration by the delegates of whether he was the man most likely to win in November.

The arguments against this put forth by the Nixon advisers were simple: No contender bows to protocol if the nomination is within his grasp. Nixon won all of the GOP primaries and thus is the popular choice of a majority of delegates.

Backers of New York Gov. Nelson A. Rockefeller indicated

they hope Nixon puts all of his chips on the line at the start.

William E. Miller, former party national chairman and the 1964 nominee for vice president, said the Governor's camp is ready to combat alternate strategy moves by Nixon.

**Favorite Sons Opposed**  
"As we see it," Miller said in an interview, "Nixon has only two courses open. He can go for the nomination on the first ballot or he can sit tight and let the favorite sons have their votes and then try it on the second ballot."

"If he doesn't break apart the favorite son vote on the first roll call, then he's in trouble. If he decides to wait until the second ballot then he will be in trouble because I don't think the favorite sons are going with him. If it gets by the second ballot, Rockefeller is going to be the nominee."

Both sides agreed privately that the key individuals involved in this tug of war are Govs. Ronald Reagan of California, George Romney of Michigan, James A. Rhodes of Ohio and Spiro T. Agnew of Maryland.

**Rocky's Chances**  
Miller spoke hopefully of Rockefeller's chances of convincing the delegates he was the nominee they needed to win in November.

Miller said a poll taken by the Rockefeller group showed that as head of the ticket the New York governor would pull marginal district Republicans through in congressional races in New Jersey, Ohio, North Dakota, Kentucky, Michigan and Rhode Island who would lose if Nixon were the nominee.

"These congressional contests are going to have impact on delegations from these states," Miller said. "These people want a local winner."

On the Democratic side, meanwhile, Sen. Eugene J. McCarthy scoffed at the proposal by his presidential rival, Vice President Hubert H. Humphrey, to release delegates from unit rules—and said they should be released from favorite sons.

"He has only released about eight (delegates)," McCarthy said Tuesday. "I'd be happy to release eight."

McCarthy said release of the large number of delegates committed to favorite sons on the first ballot is as necessary to an open Democratic National Convention as repeal of unit rules.

Humphrey accused Congress and the Johnson administration's Department of Agriculture today of not adequately responding "to the severe problems of hunger and malnutrition we know exist in America."

### Soviets Seek Czech Discord

PRAGUE (AP) — Soviet Communist leaders sought discord among their defiant Czechoslovak allies today as the party summit meeting continued at least one day longer than expected.

Talks between the top-ranking leaders of the two parties, which had been expected to end Tuesday, were extended after the Soviets insisted that each member of both delegations have a chance to state his personal views on the liberalization program launched by the Czechoslovak party's new leaders.

The Soviets presumably hoped to draw out dissident members of the 11-man Czechoslovak party Presidium attending the conference that began Monday in the tiny farming village of Cierna, in Slovakia one mile from the Russian border.

**Demand Reversal**  
The Russian Politburo delegation, headed by party chief Leonid I. Brezhnev and Premier Alexei N. Kosygin, is reported to have demanded a reversal of Czechoslovakia's new course and the right to station Soviet or other Communist bloc troops on Czechoslovak territory.

Three members of the Czechoslovak delegation who are considered possible opponents of party chief Alexander Dubcek's reformist course are Vasil Bilak, chief of the Slovak Communist party; Oldrich Svestka, editor-in-chief of the party newspaper

per Rude Pravo, and economist Drahomir Kolder. However, pro-Dubcek sources said these three had swung firmly behind Dubcek because of the widespread popular support for him and the threats of Soviet military intervention.

**Threats Avoided**  
The meeting Tuesday was described by Tass, the Soviet news agency, as having "passed in an atmosphere of frankness and

comradeship." The Czechoslovak news agency, CTK, also said the talks continued "in an atmosphere of comradely frankness."

In Communist terminology, "frankness" is understood to mean differences of opinion. The coupling with "comradeship" was taken to mean that despite disagreement, there were no threats of drastic action at the meeting.

Czechoslovak President Ludvik Svoboda, the silver-haired World War II commander on whom the Russians bestowed a "Hero of the Soviet Union" medal, was reported to have assured the Soviet leaders Tuesday that Czechoslovakia would remain loyal to Moscow in the Communist alliance. Svoboda is considered to be held in high esteem by the Soviet Communist leaders.

## \$1 Increase In Pay, Benefits Averts Strike

PITTSBURGH (AP) — The United Steelworkers Union has wrapped up its richest contract—a billion-dollar-plus guarantee of labor peace for the next three years.

Hammered out in a month of secret negotiations, it was narrowly approved over strident objections Tuesday night, barely a day before a strike deadline at the end of the old agreement.

It will add between 90 cents and a dollar an hour to the wages and benefits of the nation's 450,000 steelworkers. First estimates calculated the package as an increase of 6.5 percent or better in each of the three years.

The big question now is: What will happen to the steel industry, which has insisted that a 6 percent annual hike in labor costs would wipe out two-thirds of its profits and put some companies out of business?

**Imports Hurt**  
Steel executives, who said repeatedly during the winter that price increases would be necessary after the new labor contract, now are refusing to answer questions.

For the first time in years, some companies have been cutting prices to try to combat foreign steel, which sells for \$25 to

## HEW Family Plan Unmoved

WASHINGTON (AP) — Pope Paul VI's birth control edict is not expected to have significant impact on the U.S. government's broad and costly family planning programs, say informed sources in the Department of Health, Education and Welfare.

Past experience has shown that most poor women, including Roman Catholics, are eager to obtain means of birth control, these sources say.

"Many are desperate to control the size of their families," said a well-placed source. "They otherwise have one baby every year, and that keeps them in poverty and it's bad for their health."

The source said that men, from the Pope down, "have always speculated on the moral and theological issues, but it's the women who bear the babies—and they make the final decision."

HEW declined official comment on the Pope's encyclical released Monday forbidding Catholic women to use birth control pills or any other mechanical means of contraception.

## Mrs. Cavanagh Plans Appeal

DETROIT (AP) — Contending the judge apparently yielded to "great political pressure," Mrs. Jerome P. Cavanagh says she will appeal on absolute divorce won Tuesday by her husband, Detroit's 40-year-old mayor.

A former college beauty queen, the 38-year-old Mary Helen Cavanagh, said that "as a mother, I am shocked by a judge's decision to take away four of my children and foreclose any possibility of reuniting our family."

In awarding Cavanagh the divorce, Circuit Judge Charles S. Farmer gave the mayor custody of the family's four oldest boys.

The children range in age from 3 to 14.

Both are Roman Catholics, and the mayor was given church permission to file for divorce after Mrs. Cavanagh filed suit for separate maintenance more than a year ago, charging extreme cruelty and saying they hadn't lived together as man and wife since 1965.

Under terms of an absolute decree either party may remarry. A limited decree would have precluded this.

Cavanagh was ordered to pay his wife alimony of \$50 weekly plus \$25 weekly for each of the four children given into her custody. She also was awarded the family car, home and furniture, with the mayor directed to assume the mortgage and maintenance of the home.

Judge Farmer found both parents "fit and capable" of maintaining an "adequate and suitable" home, but said the four older boys had expressed a preference for their father and "felt they needed him for discipline, if nothing else."

## Bank's Second Robber Caught

LOS ANGELES (AP) — Employees at the Vermont Avenue branch of Security Pacific National Bank were just getting over the excitement of their first bank robbery when another bandit struck—less than two hours later.

The first thief made off with \$411 Tuesday but the second was captured by FBI agents investigating the first robbery,

## Plea For Acceptance:

## Pill Ban Revolt Confronts Pope

CASTEL GANDOLFO, Italy (AP) — Pope Paul VI, facing the possibility of widespread refusal to comply with his ban on mechanical and chemical methods of birth control, appealed to Roman Catholic couples today to understand and accept his prohibition.

In his first comment since his encyclical *Humanae Vitae*—Of Human Life—was issued Monday, the 70-year-old pontiff of the Roman Catholic Church said in a statement he knew his decision not to modify the church's traditional policy would bring anguish to millions.

The statement, issued before the Pope's weekly general audience at his summer residence 15 miles south of Rome, said:

"The knowledge of our grave responsibility caused us no small suffering. We well knew of the heated discussions in the press. The anguish of those involved in the problem touched us also. We studied and read all we could. We consulted eminent persons. And we sought in prayer the aid of the Holy Spirit in interpreting the divine law which flows from the inner needs of human love, from the essential structure, and from the personal dignity of the wedded couple."

"We were guided also by the feeling of charity, of pastoral concern for married Christians. Finally, our labor was accompanied by hope—hope that this document will be accepted for its truth, hope above all that Christian married couples will understand that its teaching is but the manifestation of their true love, an imitation of the

love of Christ for the church."

The brief statement was issued in various languages, and the French text acknowledged that the birth control decision was the most serious the Pope has made since he was elected five years ago.

But dissent voiced against the Pope's refusal to modify the church's traditional position raised the possibility that many of the world's 500 million Roman Catholics would disobey his injunctions.

His encyclical also sharpened the division between liberal Catholics who favor birth control and conservatives opposed to it. And it also appeared to be a block on the road to ecumenical cooperation with other churches that sanction contraception.

## Humphrey Plans Two-Day State Campaign Swing

DETROIT (AP) — Vice President Hubert H. Humphrey has scheduled an overnight campaign stop in Detroit Friday.

The Democratic presidential candidate is to speak at dedication of the Chapaton Basin pumping station and retention basin in St. Clair Shores, visit the Jeffries Housing Project and appear at a fund raising show Friday night in Cobo Hall with Frank Sinatra and Trini Lopez.

Private meetings with party members and television appearances also are scheduled. Humphrey is expected to leave Detroit about noon Saturday.

## Reagan, Lindsay Differ On Plans

MIAMI BEACH, Fla. (AP) — Two Republican stars—Ronald Reagan and John V. Lindsay—descended on GOP platform writers today with contrasting calls for 1968 party planks.

For the California governor, whose hat is in the presidential ring at least as his state's favorite son candidate, the accent lay on firm defense against communism abroad and sound finances and law and order at home.

"About one issue there should

be no confusion," Reagan said. "Prevent the expansion of communist power. It is time to tell friend and foe alike: we are in Vietnam because it is in our national interest to be there."

And "here at home," he said, "we must recover the will necessary to make our streets safe, our cities free from violence and our campuses centers for learning rather than for outrage and insurrection."

For the New York mayor, who says he's for New York Gov. Nelson A. Rockefeller and not himself as president, the stress was on reforms to cure city ills and poverty at home and on flexible diplomacy abroad.

"We can begin by writing a vigorous platform that affirms the humane and financial commitment described by the Riot Commission; a commitment that this (Johnson) administration has scorned," he said.

"It is time to make good the promise of American democracy to all citizens."

On Vietnam, Lindsay said "the Republican party should assume forthright leadership of the cause of ending this unwanted war on the other side of the world."

And U.S. diplomacy, he said, should recognize that in a changing world, relations with Russians and Chinese are not "fixed forever in an unalterable pattern."

## Today's Chuckle

Some people are saving for next summer's vacation — and some are saving for last summer's.

## Prices Hiked

PITTSBURGH (AP)—The steel industry's two giants announced price increases today, less than 24 hours after the United Steelworkers Union won a new billion-dollar labor contract.

Bethlehem Steel, second largest producer, announced an increase of almost 5 percent across the board, and U.S. Steel Corp., the biggest steelmaker, posted increases for many of its tin mill products.

\$40 a ton less than domestic steel. A ton domestic price increase would only increase the gap.

In addition, a price increase now wouldn't help business since major customers already have a two-month stockpile, accumulated in case of a strike, and they could shop around for the best bargains.

R. Conrad Cooper, chief negotiator for management, said the new contract "is higher than we hoped it would be. It involves cost increases greater than we hoped."

**Dodge Price Questions**  
But he refused to say whether price hikes could be expected. "I only negotiate contracts," he said.

I. W. Abel, president of the union, said the agreement would cost the industry "considerably in excess of one billion dollars." But he said it wasn't inflationary.

Inflation "is already here," he said. "We're only catching up."

## Mexico's Riots Called Red Plan

MEXICO CITY (AP) — Mexico City was a battle ground again Tuesday as mobs of young people ran wild through the city, fighting police, wrecking city buses and throwing rocks and bottles.

At least one person was dead, more than 400 were injured and at least 1,100 persons had been arrested since antigovernment rioting began last Friday.

Officials claimed the riots were Communist inspired and said they were the worst Mexico's capital has experienced in 20 years.

Tuesday night club-wrecking students braved a heavy rain and hijacked four city buses after forcing terrified passengers to flee. Then they ran the vehicles into the sides of buildings.

Earlier, Army troops fired volleys of shots into the air and dispersed the students. The troops were withdrawn, but the mobs returned, marching from the old university section, and seized the buses near the city's central square.

## Fortas Confirmation Blocked, Says Griffin

WASHINGTON (AP) — The opposition leader to President Johnson's Supreme Court nominations says his forces have doubled in recent weeks and have more than enough votes to keep the Senate from voting on the appointments.

"I am confident these nominations will never be confirmed," said Sen. Robert P. Griffin, R-Mich., Tuesday about the nomination of Abe Fortas as chief

justice and Homer Thornberry as an associate justice. Griffin said 40 senators now oppose the two.

Griffin and his allies have threatened a filibuster against the appointments and it would take a two-thirds vote to shut off their debate. Griffin needs to muster at least 34 members to vote against choking off the filibuster.

Griffin commented in a speech to the National Press Club while members of the Senate Judiciary Committee gathered in secret in the Senate's basement recording studio to view three films which one called "hardcore pornography" and another labeled "crude vulgarity."

The question of pornography has taken center stage in the drawn-out hassling over Fortas' nomination to succeed Earl Warren. One Republican has charged on the Senate floor that Fortas' votes on obscenity have helped "destroy community morals" in the United States.

Congress recesses Friday for the two national political conventions, returning in September. There appears to be no chance for action on the nominations until then, although committee Chairman James O. Eastland, D-Miss., called a meeting today to consider the Fortas appointment.

## Living Cost Up Again In June

WASHINGTON (AP) — The cost of living, paced by higher mortgage interest and other home ownership charges, jumped one half of one per cent in June to a level 4.2 per cent above that of a year ago, the government announced today.

The June rise equaled that of February 1966 and was larger than any other since September 1962 when the index went up six-tenths of one per cent.

The rise in consumer prices was relatively steeper than that for wholesale prices which increased two-tenths of a per cent in June, raising them 2.3 per cent above a year ago.

## Weather

ESCANABA AND VICINITY — Showers and thundershowers likely today, turning cooler. High today near 75 with southwesterly winds, 10 to 20 m.p.h., and gusty at times. Chance of brief showers early tonight, clearing later tonight and cooler, low near 50. High yesterday, 71 and low overnight, 60. Thursday, generally sunny and cool. Friday outlook: fair and pleasant. ## Allies Raid Cong Camp On River Delta; Take Arsenal

SAIGON (AP) — A task force of armored American gunboats, helicopter gunships and South Vietnamese marines plunged deep into the fertile Mekong Delta to raid a Viet Cong base camp. Field reports today said at least 90 of the enemy had been killed and the action was continuing.

The Vietnamese Marines reported seizing an arsenal containing 62 weapons, 423 mortar rounds and more than 12,000 rounds of small arms ammunition.

The only allied casualties reported were two South Vietnamese wounded.

The assault was made Tuesday 92 miles southwest of Saigon, along a tributary of the Cai Lon River 34 miles east of the Gulf of Thailand.

A military spokesman said it was the first allied penetration of the area of the southern Mekong Delta which has been dominated by the Viet Cong for years.

The allied commanders "had good information they would get some action down there," the spokesman said.

Most of the damage to the Viet Cong apparently was done by the U.S. Navy's 60-foot Monitor gunboats and by armored troop carriers after the Vietnamese marines had cornered the enemy in a bunker complex.

U.S. Army helicopter gunships also raked the enemy positions with machine guns and rockets.

About 1,000 U.S. infantrymen from the 9th Division, swept through another area about two miles to the east but reported little contact.

Elsewhere, only light, scattered skirmishes were reported. They included three small fights

on the outskirts of Saigon in which South Vietnamese troops said they killed seven enemy soldiers, captured six and seized 18 weapons and large quantities of ammunition.

Northwest of the capital, American strategic bombers flew their 50th mission in seven days against suspected North Vietnamese troop concentrations menacing Saigon and key towns near it.

Eight missions totaling 40 of the big B52 bombers dropped 1,200 tons of bombs Tuesday and today on enemy positions 30 to 60 miles northwest of Saigon.

The equivalent of about 250 of the B52s have attacked suspected enemy base camps during the last week in the three western provinces of Hau Nghia, Tay Ninh and Binh Long, which form a triangle near the Cambodian border.

# Cheerleaders Win Ribbon

"Four days of exercise, cheering, and fun," is how Anna Nelsen, cocaptain of the Holy Name cheerleading squad sums up their participation at Camps All-American at George Williams College in Lake Geneva, Wis.

The six members recently returned from the four-day cheerleading session with an array of new chants, songs, cheers, skits, and two special items—a second place ribbon, and the outstanding uniform trophy.

The second place ribbon was awarded to the squad on the second night of competition. The first through fourth places are presented each night by the United States Cheerleaders Association staff to the squad which shows leadership and ability in cheering.

This is the second ribbon won by the girls. A fourth place was awarded to them last year.

The session was brought to a climax when the U.S.C.A. grand championships were awarded. The squads from the 42 participating schools assembled for the presentations in their cheering uniforms. The outstanding uniform trophy was won by the Holy Name team.

A total of 239 girls attended the camp from Michigan, Minnesota, Wisconsin, Indiana, Ohio, Illinois, and Iowa. Camps All-American is divided into 17 four-day sessions; three in Wisconsin, two in New York, and 12 in Michigan. It is sponsored by the United States Cheerleaders Association.

## C. J. LaCrosse Taken By Death

Clarence J. LaCrosse, 70, of 1812 7th Ave. N. died at 11:45 a. m. Tuesday following a fall from a tree.

He was born July 10, 1898 and was a retired switchman for the Chicago & North Western Railway. Mr. LaCrosse was a member of the Brotherhood of Railway Trainmen and was a veteran of WW I, serving with the U. S. Army.

He is survived by his widow, the former Myrtle Mathieson of Escanaba; three daughters, Mrs. Ivan (Jean) Kramer and Mrs. Beverly Anderson of Rockford, Ill. and Mrs. Ray (Jackie) Sunila of Menominee Falls, Wis.; 10 grandchildren and two sisters, Mrs. Sherman Hogan and Mrs. Agnes LaSalle of Los Angeles, Calif.; and one brother, Herbert of Escanaba.

Friends may call at the Anderson Funeral Home from 5 to 9 p. m. today and funeral services will be conducted at the funeral home chapel at 11 a. m. Thursday with the Rev. Karl J. Hammar officiating. Burial will be in Gardens of Rest Cemetery.

## Association Of Purebred Dog Owners Planned

The organization of a Purebred Dog Association in the Escanaba area is proposed and owners of purebred dogs are invited to a meeting to be held at 7 p. m. Monday, Aug. 5, at Club 314.

Further information may be obtained from Fred Cavill, Rapid River, GR 4-5943.

The proposed association would sponsor training classes for dogs and would present information on the proper care of the animals.

## \$1 Increase In Pay, Benefits Averts Strike

(Continued From Page One)

Here are major provisions of the contract, which apparently falls within the 6 per cent pattern of major labor settlements this year.

— Yearly wage increases of 20 cents, 12 cents and 12 cents for a total of 44 cents. Over the life of the contract, seven cents will be added to the top classifications for a total of 51 cents.

— Pension improvements averaging 30 per cent, allowing a man with 30 years service to retire with a minimum of \$195 a month, versus the old \$150.

**Vacation Bonus** — Incentive, or bonus, pay for workers not now covered for an average of 10 cents. The details will be worked out by a joint board, with appeals to arbitrators.

— A \$30 bonus for each week of vacation, and an extra three weeks of vacation for junior employees once every five years.

— Unemployment increases raising the maximum from \$37.50 to \$52.50; adjustments in other formulas to raise benefits about 10 per cent.

— Liberalized medical insurance, life insurance, bereavement pay, an additional paid holiday, trial witness pay and increased night and overnight differentials.

"From the standpoint of an economic package, it is the largest that has been negotiated in steel," Abel said.

Steelworkers averaged \$3.84 in May. The industry claims fringe benefits added \$1.09 to the cost.

**Vote Is Close**

Abel acknowledged that many of the 800 local union presidents who comprise the basic steel industry conference were opposed. "I'm not entirely happy myself," he said.

Dozens of local officials denounced the settlement in speeches during a three-hour meeting Tuesday. The opposition was so bitter that a voice vote was ineffective.

A standing vote was called, and the supporters were declared in a majority. One member of the conference estimated that only 65 votes separated the yeas and nays.

## Preinduction Call Stands

The Delta County Draft Board today announced that it has had no official notice of suspension of the Aug. 5 preinduction call for 22 Delta County men and that it is still planning to send the group to Milwaukee at 11:30 a. m. Monday, Aug. 5.

The men will be notified immediately if there is official suspension of the call.

The Press published an Associated Press report from Lansing on Monday that Michigan draft boards had been ordered to deliver 1,033 registrants for induction in September, the smallest monthly call since May, 1967 and that preinduction physicals, suspended in August because of a shortage of funds, would resume in September.

## Escanaba Schools Announce Summer Music Schedule

The summer practice schedule for music students of the Escanaba Area Public Schools will begin Monday, Aug. 5, and last for four weeks, announced music instructor John Chown today.

The high school marching band will meet at 8 a. m., Monday through Friday, and 6 p. m. on Mondays, Wednesdays and Thursdays.

Practice sessions for sixth grade beginning music students have been scheduled according to instrument classification. Clarinet and cornet players will practice at 9 a. m., Monday through Thursday, flutists and saxophonists at 9:45 a. m., Monday through Thursday.

Students playing the French horn, trombone or baritone will meet at 10:30 a. m., Monday through Friday, followed by bass and drum students at 11:15. Late beginners will meet Monday through Friday at 1 p. m.

Students are asked to use only the north high school parking lot entrance, to be on time and to be prepared to pay the \$7 fee at the first practice session. Those who have schedule conflicts with swimming lessons, typing classes or other obligations are asked to report them to the instructors, John Chown and David Laakso, immediately.

## Hancock Names CAP Director

HANCOCK — Robert W. Thompson, Iron Mountain, was appointed director of the Baraga-Houghton-Keweenaw Community Action Agency beginning August 1, announces Chairman Rev. George LaVoo.

Thompson resigned his post as director of the Iron-Dickinson Head Start Program to accept the new position. Following Vista service, he was assigned to the VISTA Training Staff at Northern Michigan University and was appointed supervisor of VISTA activities in the Detroit riots last summer.

He succeeds Joseph Wojtylak who resigned July 19 to accept other employment. Robert Olsen, Escanaba, of UPACAP, has been operating the agency in the interim period.

# Millage Facts

Address questions to be answered in this column to "Millage Facts," Escanaba Daily Press, Escanaba, Escanaba Area School District votes Aug. 19 on 5.4 mills for 2 years for school operation.

Q. Why can't we do away with the office of curriculum director?

A. The curriculum co-ordinator of the Escanaba Area School District shoulders the responsibilities for seeing that students have a 20th Century education available to them. As such, he must see to it that testing programs are properly administered and that there is a follow through on the results. In addition, he must see to it that both curriculum and individual courses are not only evaluated but continually improved.

The curriculum co-ordinator is also responsible for the purchasing, filing, and distributing of audio-visual materials and aids. He is also responsible for the adult education program, and for the preparation of applications for federal funds which are available to the school district.

Without the help of this office, the effectiveness of the above services may be lessened, not to mention inefficiencies which may result to other areas of the school program.

## Body Of Nude Is Identified; Death Natural

TROY (AP) — An Oakland County pathologist said today 44-year-old Delores Blaszczyk of Warren died sometime Friday of natural causes. The nude body of the woman, reported missing earlier Friday by her husband, was found Monday near I-75 in Troy.

The pathologist said there were no signs of violence. Troy police said they have found almost all of her clothing except her purse.

# Hermansville Names Teachers

Supt. Clifford M. Luft of the Hermansville schools announces the following new teachers have been hired for the 1968-69 school year:

Gerald Sundquist will be math and physics. He has been teaching junior high math in the Stephenson Consolidated School System during the past two years. Sundquist will also coach baseball and junior high basketball.

Sundquist is from Bark River and graduated from Northern Michigan University in June of 1966. He is married to the former Judy LeBeau of Bark River.

David Kimar will be teaching high school English and history. He is from Au Train. He graduated from Northern Michigan University in June, 1968. Kimar is married and the father of one child.

"We still have one vacancy for the coming school year — home economics," said Luft.

# Well Control Sounded Here

Officers of the Michigan Department of Conservation, Geological Division were meeting today at the State Office Building with representatives of Upper Peninsula industry for the purpose of refining sections of the proposed legislation on control of wells.

The legislation was introduced in the last session of the Legislature and not passed. It is being worked over by the Conservation Department's experts to develop safeguards against the use of disposal wells and such facilities. Disposal wells are not used in the Upper Peninsula yet, but have been employed in Lower Peninsula areas to dispose of industrial wastes.

The proposed legislation would create a supervisor of mineral, test and disposal wells and an advisory board to control the drilling, operating and abandoning of wells to prevent pollution.

The legislation would provide for inspecting, repairing and plugging of wells and for entering private property for that purpose.

The legislation is one more phase of a continuing state effort to safeguard natural resources, which come under new perils with changes in industry and waste disposal.

## The Neighborly Fair

Farmers used to spruce up and take their families to the county fair to see what their neighbors were doing. We've still got a few county fairs in the Upper Peninsula but the big fair is the Upper Peninsula State Fair in Escanaba, which opens its cowbarns, midway and grandstand on Tuesday, Aug. 13 for its 40th blast.

The trend for a long time was away from this self interest in the neighbors' kohlrabis and chow-chow and toward big city manufactured fun — dancing girls and swaypole "artists," maoutin music makers and cotton candy.

There were the cows from home, of course, chewing their cuds over their prize money, and the imported chickens with feather duster feet, and other wonders to show the city hicks. After all, it was an "agricultural" fair although some of the people who went to it never got into the cowbarns nor the garden truck displays.

Radio, and later TV, were strong influences on the fairs, supplying a lot of performers who were glad to star on the summer circuit. But Cliff Perras, the manager, says that George Gobel and Charlie Weaver bombed at the fair, Brenda Lee, the half pint song better from Dixie, went over very well, but there's no sure adulation of electronic media biggies by fair crowds.

When Jan Garber, the band leader, cancelled a booking for this year's fair the board of managers didn't rush out and sign up another dingaling. They rassed up a big purse to distribute among the boys who smash up old automobiles in demolition derbies. This form of mechanical sadism seems to be very popular now and we certainly shouldn't criticize the heartlessness of the Spaniards who cheer the bull that disembowels a horse.

Here we have a spectacle of a venerable Essex with its innards ruthlessly dropped on the track by a rude smack from an old Cadillac. Of an aged Pontiac leaking like a basket in public. Of a Kaiser that's so bashed up it can only go backwards. What indignities to inflict on once proud old machines to make a Roman holiday!

But it seems to fit the times better than a genteel stroll through the vegetable exhibits. There'll be a country and western music stampede on Thursday with Tex Ritter and the Boll Weevils making Juillard alumni hang their heads, and a rodeo on Tuesday afternoon and evening and auto racing on Saturday night and Sunday afternoon.

There'll also be a large display of chain saws, snowmobiles and campers to remind fairgoers that it's a mechanical age. No fair in all 40 of them will consume as much gasoline as this one and that's mod, man!

But M. Perras says it is false emphasis to assay the fair program in this manner. "Theenk!" he suggests "of all the music! We're having battles of the combos on Wednesday for professionals and on Friday for amateurs. Chet Marrier and his Little German Band will play on Monday, Tuesday, Friday and Sunday. Bill Van Effen will play the organ, there'll be a U. P. Drum and Bugle Corps contest on Veterans Day Saturday afternoon."

"Ritter will have groups of singers. We're having square dancing Friday and Saturday, flower judging and all kinds of cultural things. It is really more of an art festival than a fair, come to think of it."

Perras obviously hopes that 200,000 people will visit the fair to find him wrong.

## Congress Not Heeding Import Curb Warnings

By BRUCE BLOSSAT  
WASHINGTON—(NEA) — Pressures on Congress to adjourn before the two conventions in August may stall at least for awhile the little-heralded protectionist drive for import quotas on steel, textiles, oil, meat and other products.

There very likely will not be action this session, in fact, on extension of the Trade Expansion Act, the liberalizing measure adopted originally in the Kennedy administration.

At most, a watered-down version of the administration's extension bill might emerge from the House Ways and Means Committee and gain full House passage.

In such an event, however, the expectation is that the Senate, which already approved some quota bills, would so encumber the trade proposal with quota-type amendments that it would be totally unpalatable to key House leadership. It would die at this point.

Quota bills are not going to make it on their own out of the Ways and Means group this year.

But Democratic leaders are privately warning that if and when they ever do get to the floor, the House membership as well as the Senate's will support quotas overwhelmingly.

The argument is that this would happen now if such a test could be had. It would be even more likely if those forecasters are correct who foresee 1968 Republican congressional gains at the polls and thus probably a still more conservative Congress in 1969.

If de facto majorities do indeed already exist in both houses for a whole range of import quotas, it has to be put down as one of the most remarkable yet least appreciated phenomena of this confusing era.

Since Franklin D. Roosevelt's time, the country has been on a long course toward the liberalizing of its trade with other nations. That trade has expanded enormously and, on the export side, is a mainstay market for such U. S. agricultural products as wheat, soybeans, corn, and cotton, not to mention industrial items like automobiles, airplanes, electri-

### REFERENDA

As a former delegate to the Constitutional Convention who felt that the Judicial Article was lacking in certain aspects I am writing to urge your readers to support Propositions No. 1 and 3 on the August primary ballot.

These propositions do two things. Proposition No. 1 deals with the creation of a Judicial Tenure Commission which will have the power to investigate complaints about the conduct of judges and to recommend to the Supreme Court such disciplinary action as may be indicated.

The commission would have power to recommend action in those cases where a judge has been convicted of a felony, is physically or mentally disabled, is guilty of misconduct in office, of habitual intemperance, of persistent failure to perform his duties, or of conduct that is clearly prejudicial to the administration of justice.

A similar commission in California has been unusually successful in improving the administration of justice and 8 other states have now followed California's lead. Michigan is clearly in need of such a commission and the voters ought to give it strong approval.

Proposition No. 3 permits the filling of judicial vacancies by gubernatorial appointment. This is subject to check by the people in the requirement that the judge appointed must subsequently run for election.

This combined method of appointment and election which was followed under the 1908 Constitution was a vast improvement over our present constitutional provision which permits only temporary appointment of judges to fill vacancies. This provision represented at the time of its adoption a compromise between conflicting points of view and has proved unsatisfactory.

Proposition No. 3 has strong bipartisan support and ought to be given strong voter approval.

It is my view that both Propositions No. 1 and 3 will help greatly to improve the administration of criminal and civil justice.

### FARMERS

Last Saturday, I had the honor of attending the Menominee County Dairy Day Picnic at Shaky Lakes. What impressed me most was the shocking decline in the number of farmers in America. From 1960 to 1967, some 4.6 million Americans left their farms. This is a 30 per cent drop in farm population in 7 years.

While the farmer has been hurt by inflation, he has been pinched by increasing imports of dairy products, furs, etc., and he has been undercut by a farm policy which has imports of dairy products, furs, etc., and he has been undercut by a farm policy which has directed multi-billion dollar subsidy payments to large corporate-type farm operations.

When I came to Congress two years ago, I received a report stating that dairy imports had increased some 300 per cent in the preceding year. Most of this increase was the result of loopholes in the quota law. As the result of a bill which I and a number of other Congressmen introduced at that time, the Tariff Commission finally took action to trim these imports back to less than one billion pounds.

The same problems exist in

## 'Credit Card' Fights Racket

WASHINGTON (AP) — The U.S. Command has introduced something like a credit card as its newest weapon against black marketing and dollar profiteering in South Vietnam, Pentagon officials report.

Currency control plates must now be used when a serviceman converts his military scrip to cash or when he spends it on certain high-priced post exchange goods.

Troops stationed in Vietnam are paid in scrip, or Military Payment Certificates (MPC), instead of dollars.

The plastic cards are used to stamp special forms which are fed through computers to give U.S. officials in Saigon a constant watch on the volume of converted scrip as well as on PX buying.

For example, if a man converts more than the authorized amount of scrip into dollars or money orders, the computer kicks out a card identifying him and showing all his recent transactions.

Corregidor, armed to its crest during the Spanish-American War, was one of the islands which Adm. Dewey was forced to deal with in the historic Battle of Manila Bay. His fleet slipped by the Rock in the night to destroy a Spanish armada in May 1898.

More people get more news from newspapers than all other sources combined.

the milk industry and I have introduced legislation to bring milk imports back into line. However, imports still cast a heavy shadow over the farmer as innumerable import evasions continue to plague the industry.

The President's Advisory Commission on Rural Poverty reports that 14 million rural Americans live in poverty. With farm income down 11 per cent last year, is this condition surprising?

It seems incredible to me that in this land where we spend billions of dollars each year to slow down crop production, and where thousands of small farmers are leaving their farms every year, that any American should have to go hungry.

Congressman

### THANKS

As Headstart for the year draws to a close we would like to say a grateful thank-you to all the people who gave us invaluable aid: our area representative, who did much more than was required of her; the teachers who were so kind and helpful; janitors and bus drivers who went out of their way to help us; merchants who cooperated in many ways with the program; students who volunteered their time and talents; the cooks who used their skills to attain attractive tables and food; parents who not only gave their children into our care but also volunteered time and talent at school or at home; people working in the health program; and our wonderful VISTA workers who helped us in all areas. We appreciate this help more than we can say. If we have missed mentioning anyone we offer our apologies now.

To the people who oppose or do not understand the program, why not come and see what we are trying to do? We feel it is a privilege for us to be able to help in preparing children for life by readying them for kindergarten, helping them to get along with others, instilling worthwhile ideals in their minds, and giving them an abundance of love. We are not and never will be completely successful but nevertheless we feel our work is worthwhile.

Today's hand, played in the recent Bridge Olympiad, shows that even the best players in the world make mistakes.

The bidding and entire play went the same way at both tables. The first trick saw the heart jack covered by the queen, king and ace. The ace of trumps was cashed at trick two to guard against the possibility of West holding all four trumps. When East followed, the winning line of play would be to lead a club toward dummy. West's best play would be to duck, whereupon the 10 should be played from dummy. South would cash dummy's queen of trumps and his own king before leading another club.

West's best play would be to take the ace of clubs and throw South in dummy with another club, whereupon South would lead a diamond from dummy and finesse either the queen or 10. It wouldn't matter. West would be on lead and have to play away from his remaining diamond honor or lead a club to give South a ruff and discard.

Both declarers made the mistake of leading a spade to the queen at trick three and taking the double diamond finesse at trick four. East West player was on lead with the jack and showed that their defense was up to world's championship form. Each led his jack of trumps.

Each South was in his own hand and could do no better than to lead a club to dummy's 10. This left the declarer in dummy at the wrong time. The best they could make was to try the finesse of the diamond queen. West had the second defensive trick with the king and it was a simple matter to take the third trick with the club ace and let East make his 10 of hearts in the cool of the evening.

## PK Blames Sex Woes On Sin-Minded Dad

Dear Ann Landers: I saw myself in that letter from the 16-year-old minister's daughter who was consumed with guilt because she had let a boy kiss her. Your advice was excellent. I hope she takes it.

My brother and I were P. K.'s (Preacher's Kids). We were taught that sex was sinful and nasty. I was 17 when a boy kissed me on the way home from a church picnic. My father was riding in the car behind us. He saw this. I was punished so severely I was determined to get even. So I became pregnant by a no good bum. My parents sent me to another state and I never did return home after that.

My brother married a very quiet girl (another P. K.) at age 23. Within two years his wife had a nervous breakdown and she later sued him for divorce. The reason: He used to sneak out of the house at night and take up with street tramps. Why? Because he had such a low opinion of sex he couldn't function with a respectable partner. He needed a gutter type.

Fortunately my brother and I have had intensive therapy and are now living decent lives, but we were luckier than most. Please keep telling the teenagers that sex is nothing to be ashamed of, that properly used it can be beautiful and a meaningful part of life. In fact you ought to write a book about it.—ARKANSAS MRS. Dear Mrs. I did—three years ago. It is called "Ann Landers Talks to Teen-Agers About Sex" and can be purchased in paperback for 50 cents. But let's get something straight, Lady, I don't buy your implied cliché about preachers' kids. Some of my best friends are P. K.'s—and the conflict between parent and child that you describe happens in all professions. The dedicated ministers I know raise fine children.

Dear Ann Landers: After publishing the letter signed "Pilloried," I'll bet you are the pin-up girl of every divorced man in the United States. My own soon-to-be-shed spouse mailed that column to me and attached a note which read: "See, just like us."

Undoubtedly some men do

get picked clean by conniving wives but a few of us deserve whatever we can get from the low-life skunks.

When Guy and I were married, his folks sold their home, bought a trailer and moved to our backyard. Guy has never made an independent decision. It was always, "I'll have to ask Dad."

For eleven years I served Guy his coffee in bed. When I was sick with the flu he went fishing because he was afraid he'd catch it if he "hung around."

I could have tolerated his disregard for me, but I couldn't stand the way he ignored his children. He said it was a woman's job to look after the kids, so he didn't even talk to them.

The day his son waited four hours for his dad to come and take him to a ball game—and then called to say he couldn't make it—was the day I decided to get a divorce.

We have \$60,000 saved in cash and bonds. I want \$500 a month plus \$75 support for each child. (We have three.) He is screaming like a stuck pig.

I am asking you to break your rule and print my letter even though you are dead set against divorce. Granted, there's no such thing as a good divorce, but it beats living a lifetime with a mama's boy who is no father, no husband and no human being.—FREE-DOM IT'S BEAUTIFUL

Dear Beautiful: Here's your letter. Surprised to see it in print? I thought you'd be.

# Post Office Site Stirs Lively Tiff

Escanaba's quest of a new post office has taken some tangled turns in recent months. Mayor Cecil Chase said today that the city government plans to invite Robert Matthews, real estate officer of the Post Office Department's Chicago regional office, to come to Escanaba for a conference with city officials on the subject.

The Escanaba Chamber of Commerce has been active in the effort to obtain a new post office for Escanaba and Henry Dubbelde of the State Bank of Escanaba is chairman of the

Chamber's Downtown Development Committee, which conferred here with Matthews several months ago on a site for the new facility.

**Doesn't Make Sense**

Dubbelde expressed concern at a luncheon meeting of Escanaba Rotary Club in the House of Ludington Tuesday noon on the project. George Rusch, coordinator of economic development for UPACAP, was the luncheon speaker, urging businessmen to participate in the three new Economic Development Districts in the Upper Peninsula which are being created by the Economic Development Administration. UPACAP is doing the field work of organization for EDA.

"Would this project be helpful to Escanaba in ventures like the new post office?" asked Dubbelde. Rusch thought it

would be creating an organized liaison between the district and government.

Dubbelde said that he had heard the Post Office Department planned to locate the new post office on 23rd St. S. at 8th Ave. This, he suggested, would violate good community development planning. "The federal government would move the post office out of the downtown area one week and we'd be in Washington the next week asking money to help build up the downtown district," said Dubbelde. "It doesn't make sense."

## Option Balked?

Mayor Chase said that when a city council delegation was in Washington last week "they shut the door on us at the Post Office Department, and said it was all handled out of Chicago."

Mayor Chase said that he had heard that a Post Office effort to nail down a site for the new facility had snagged on inability to obtain an option on a property sought for the building.

Escanaba Postmaster James Pryal has been seeking a new post office since he took office in 1961. The present post office is in the Delta County Federal Building, which has three floors and basement, tenanted by federal agencies as well as the post office.

## Briefly Told

**"Who's Afraid of Virginia Woolf?"** is playing through Sunday at the Keweenaw Playhouse in Calumet. The play will be presented at 8:30 p.m. through Saturday and at 7:30 p.m. Sunday, Aug. 4.

**Reunions of Northern Michigan University** classes of 1918 and 1943 will be held Friday through Sunday, Aug. 2-4, in conjunction with summer commencement ceremonies on the Marquette campus.

**Harlow W. Patten**, 19, of Rock, paid a \$50 fine for driving under the influence of liquor, a \$50 fine for reckless driving and court costs of \$5 after pleading guilty to the charges in Municipal Court Tuesday.

**City Council** will meet at 8 p. m. Thursday in city hall council chambers. Among the items to be considered are a report and recommendation from the Planning Commission and Safety Committee on closing a section of N. 16th St., the revision of the Administrative Code and the updating of bidding procedures.

**A meeting** for the purpose of organizing a Garden Club in the area will be held Aug. 20 at the Wells Township Hall, beginning at 8 p. m. Everyone is welcome. For more information contact Mrs. Bonnie Maki at the U. S. Forest Service or Mrs. Carrie Larson at Nelson Floral of Escanaba.

**The August** meeting of the Silver Spur Saddle Club will be held Thursday, Aug. 1, at the John Winkler home at Danforth. Final plans will be made for the trip to the Iron River Rodeo to be held Aug. 10-11. All members planning on trucking horses to the Rodeo should attend the meeting.

**The midseason** party of the Escanaba Country Club will be held Saturday, beginning with the parimutuel golf event at 4 p. m., followed by a dinner of charcoal-grilled steaks and dancing. Prizes will be awarded to winners of the golf events. To make reservations call the clubhouse, 786-1701, the pro shop, 786-4430, or Mr. and Mrs. Dennis Schneider at 786-5179. Deadline for reservations is Friday noon.

The Theatre-On-The-Bay's third production of the summer season, "Blithe Spirit," will open Friday for five consecutive performances at 8:15 p.m. Rev. Calvin Rice, Stephenson, has the role of the unfortunate husband, a writer.

**Escanaba police** have issued summonses to Patrick L. Dwyer, 2100 23rd Ave. S., improper lane usage and failure to yield the right of way; Calvin C. Loper, Wells, driving with a suspended license; Bernard W. Conlon, 605 S. 10th St., improper starting and excessive tire noise; Joseph F. Stankowicz, Rte. 1, Bark River, failure to stop for a red light; Michael D. Mullin, 110 S. 17th St., reckless driving; and Stewart Belanger, 1208 7th Ave. S., failure to stop in the assured clear distance ahead.

**Delta County** Deputy Sheriff Ferdinand Gasperick paid a fine of \$2 and costs of \$3 in Municipal Court Tuesday after pleading guilty to a charge of failure to yield the right of way. Gasperick was ticketed Monday after his patrol car ran a stop sign on First Ave. S. and struck the northbound vehicle of John J. Bartel, Rte. 1, Bark River, on S. 10th St. Three passengers in the Bartel auto, Mary Bartel, 8, and Dorothy Bartel, 40, of Franklinville, Md., and Gertrude Bartel, 71, of Rte. 1, Bark River, were treated for minor injuries. Bartel's vehicle was towed away with left front end damage.

# Hanoi's Envoy Says U.S. Lies

PARIS (AP) — North Vietnam today denounced press conference statements by Secretary of State Dean Rusk as new evidence of "the obduracy of U.S. aggressive ruling circles" in pursuing a "policy of war and aggression."

Speaking in the 15th session of the Paris Peace talks, Ambassador Ha Van Lau also charged that "the U.S. government has told lies" in asserting North Vietnam has committed aggression against South Vietnam and in "boasting of victories" when, he said, it is being defeated in the war in Vietnam.

Rusk called on North Vietnam at a news conference in Washington Tuesday to say what it will do to scale down the fighting if the United States ends all attacks on its territory.

Earlier, going into the meeting, Ambassador W. Averell Harriman charged the leaders of North Vietnam with ruling "through terror and butchery" and they ought to give their people a little freedom.

# Claim Teeners Kidnaped Cop

NOVI (AP) — Five teen-agers were charged Tuesday with kidnapping a Novi police officer and assault with intent to commit murder Tuesday.

The five were apprehended after a high speed 10-mile chase joined by about 80 officers from several law enforcement agencies.

Novi patrolman Robert E. Starnes, 32, father of six, was treated and released at St. Mary's Hospital, Livonia, for bruises and powder burns suffered when the youths reportedly fired three shots from his pistol.

Starnes was a captive for about an hour after the youths reportedly kidnaped him, took his weapon and forced him into their car after he answered a complaint of beer bottle throwing at Ten Mile and Meadowbrook roads in Novi.

Held in the Novi village jail are Floyd Kirkendall, and William Joseph Jobe, both 17, and Carl Askins, 19, all of South Lyon. Names of two youths aged 15 and 16 were not reported.

The five were arraigned late Tuesday before Novi Justice Emory Jacques and charged with kidnapping and assault with intent to commit murder.

THE 12-CENT STAMP portraying Henry Ford, the 17th in the "Prominent Americans" series of regular stamps, first went on sale July 30 at Greenfield Village, Dearborn, Mich., where the automotive pioneer established his comprehensive indoor-outdoor Museum of American history. The stamp reproduces a portrait of Ford superimposed on the silhouette of a 1909 Model T touring car. (AP Wirephoto)

## Mississippi Hikes State Sales Tax

JACKSON, Miss. (AP) — Gov. John Bell Williams has signed a bill to increase the state sales tax from 3½ to 5 per cent. Another bill boosts the top bracket of the state income tax

from 3 to 4 per cent and eliminates the 2 per cent bottom rate. The two tax increases are expected to bring in \$77 million to \$83 million every two years to finance teacher pay raises.

# L'Anse, Baraga Are Qualified For Flood Help

LANSING (AP) — Gov. George Romney has proclaimed a "state of public emergency" in Baraga County and the villages of L'Anse and Baraga, qualifying the flood-damaged Upper Peninsula communities for state and federal aid.

Romney added he has instructed the State Highway Department to immediately begin replacing roads, streets and sewers damaged or destroyed by a storm July 16 and to apply for emergency assistance from the U.S. Bureau of Public Roads.

## 'Evil Eye' Draws 10-Day Sentence

SANTA FE, N.M. (AP) — A man was sentenced to 10 days in city jail for giving Municipal Judge Romualdo E. Chavez a whammy.

Chavez said he was conducting court when he noticed James Khron of Los Angeles giving him what Chavez called the evil eye. Chavez said Khron clasped his hands together and pointed both index fingers at him.

The judge gave Khron five days for contempt of court. When Khron repeated the gesture he was sentenced to another five days.

# Fulbright Wins Renomination

LITTLE ROCK, Ark. (AP) — Sen. J. W. Fulbright won renomination in Arkansas' primaries Tuesday against three Democratic foes who urged voters to wrest the office from him because of his stand on the Vietnam war.

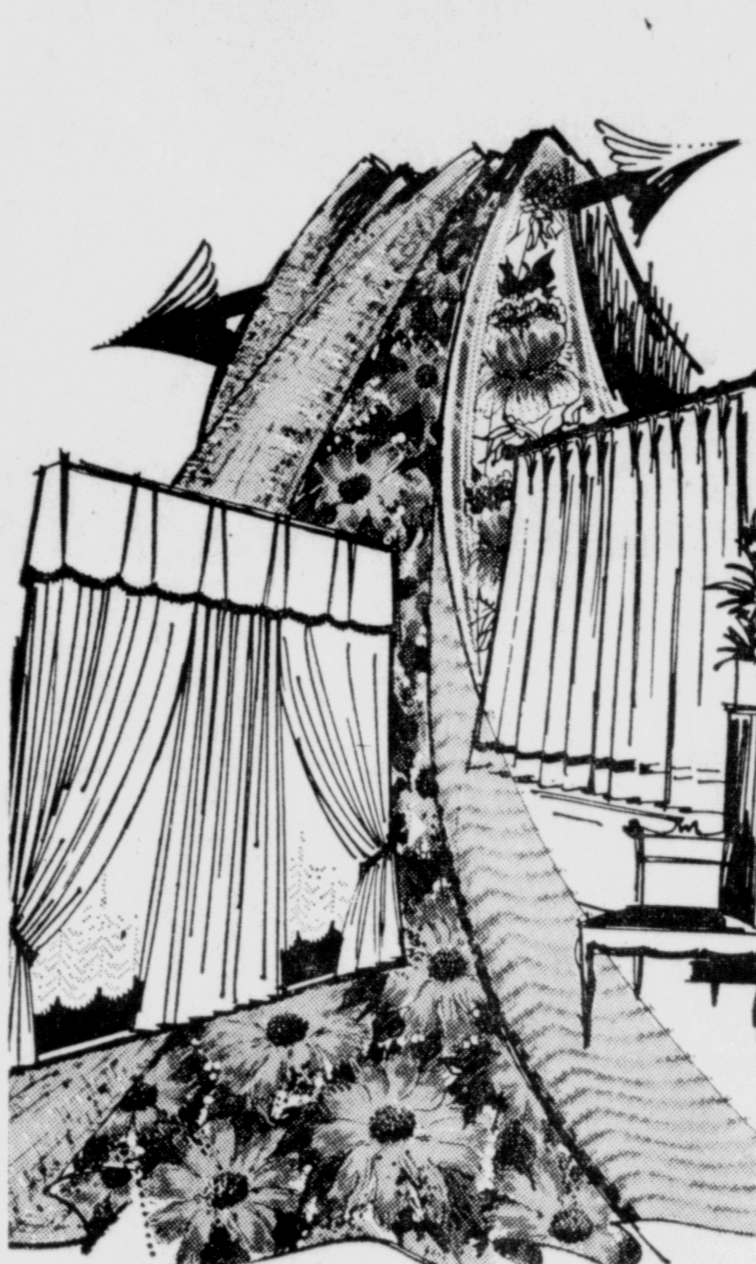

Facing his sternest campaign test in 24 years, Fulbright received about 53 per cent of the vote, enough to save him from a runoff but short of the 65 per cent he predicted he would receive.

With 2,548 of 2,659 precincts reported, Fulbright had 202,024 votes, Jim Johnson, 122,072, Bobby K. Hayes, a flooring manufacturer from Calico Rock, 46,701 and Foster Johnson, a music publisher from Little Rock, 10,952.

His opponents accused the Senate Foreign Relations Committee chairman of giving aid and comfort to the enemy because of his outspoken opposition to U.S. involvement in the war.

During an intensive two-month campaign, Fulbright told voters his opposition to the war was aimed at "stopping the killing of our men and to bring them home to their families where they belong." He was a constant critic of President Johnson's Vietnam policy.

# Demo War Foes Push McGovern

WASHINGTON (AP) — Sen. George S. McGovern has emerged as a rallying point for some supporters of the late Sen. Robert F. Kennedy—but mainly to influence the Democratic party position on Vietnam.

The South Dakota Democrat, an outspoken war critic, said in an interview he has rejected suggestions from Kennedy people that he actively seek the presidential nomination at next month's Democratic National Convention because of his own hard re-election race.

"But I have told them if they want to use me as a rallying point, that's okay," McGovern added, observing that "this will give a little more leverage at the convention."

It was for this reason that he went to California last weekend to discuss the convention, and especially its platform, with Kennedy supporters.

He called on them for a moral commitment to "passion and action in the service of the nation" and implied that neither Vice President Hubert H. Humphrey nor Sen. Eugene J. McCarthy, the party's presidential contenders, could do this.

# Lake Superior College Awarded North Central OK

SAULT STE. MARIE — Accreditation of Lake Superior State College as a four year operationally separate college of Michigan Tech has been given official confirmation by the Executive Board of the North Central Association of Colleges and Secondary Schools.

Previously, LSSC had been accredited by the North Central Association under the affiliation with Michigan Tech. The new evaluation is based on LSSC's future role as an autonomous institution.

The action by NCA paves the way to further preparations for autonomy for LSSC in July of 1969.

This was the target date set by the Michigan Tech Board of Control and the State Board of Education in their study committees this year.

Needed to complete the independent role is legislative action to enact the concept, and when completed and approved, the Governor will appoint an eight member Board of Control.

## MANISTIQUE

# Thompson Cohos To Peak In The Fall

The high point of interest during the past week was the appearance of coho salmon off the mouth of Thompson Creek near Manistique—the stream where they were originally planted and to which they will return to spawn—the Conservation Department reports.

The coho appeared in good numbers in the area early in the morning of July 26 and a fair number were taken by fishermen throughout the day. In the early evening, however, it appears the main school returned to deeper water, as success dwindled thereafter. A few continue to be taken daily.

Fishing activity should continue until fall, at which time it is anticipated the run will peak. The creek itself is and will probably continue closed to fishing in order to permit spawning and egg collection activity. Fishing will necessarily have to be confined to the Lake Michigan waters in close proximity to the stream.

The new booklet "Coho, Chinook and Steelhead in Michigan" has tips on how to

catch the newly popular salmon. To obtain a free copy mark a postcard Celebrity Fish, Michigan Conservation, Lansing, and give your name and address.

Elsewhere conservation field personnel report:

Fair success for all species in Delta County with Ford River recommended for bass, Little Bay de Noc for north-

ern, Breezy Point area below Escanaba for walleye, Round Lake and Escanaba Yacht Harbor for panfish, and Escanaba, Sturgeon, 18-Mile and Haymeadow for trout.

Lake Independence in Marquette County is fair for bass, northern and panfish, and most streams continue good for trout. Lake trout activity in Lake Superior waters continue slow in comparison with earlier activity.

Trout fishing is good on most streams in Alger County as well as the AuTrain Basin and Ackerman Lake. AuTrain Basin and AuTrain Lake also are fair for bass, northern and panfish, and a few walleye continue to be taken from AuTrain Lake.

## Area's Schools Register Pupils

Registrations for students who will attend the Manistique Area Schools for the first time will be taken at the general offices in the high school from 9 a. m. to 4 p. m. daily, Monday through Friday.

This pre-registration should be made for all new students who will be attending Manistique city schools, Thompson, Hiawatha, Fairview, Gulliver, Mueller, or Germfask schools in grades one through twelve. Registration for kindergarten pupils from the same areas who did not register last spring will also be taken.

## Flower Show Set August 12

Mrs. Ellsworth Curran and Mrs. Leo Curran, co-chairmen of the Hospital Auxiliary Tea and Flower Show have announced that Mrs. George Wood will serve as tea chairman for the Aug. 12 affair at the Indian Lake Golf and Country Club.

The public is invited to attend the show and exhibit their arrangements or other plants or flower entries. A small cover charge will be appreciated by the committee. Crafts made by patients at the Medical Care Facility will be offered for sale during the afternoon and a special prize will also be awarded.

# District Court Includes Small Claims Division

A feature of the new District Court, which will come into being Jan. 1, 1969, is the establishment of a Small Claims Division allowing claims under \$300 to be settled without attorneys and relying upon the district judge for a decision.

Here is a hypothetical case to illustrate the Small Claims Court activities: John White and Joe Black are feuding because White insists the Black dog caused \$200 damage to his new shrubbery. John White goes to the County Clerk's office, pays a \$5 fee for filing an affidavit listing his grievances plus \$1 for certified mail notification to Black. (This eliminates the expense of paying the sheriff to serve such notices.)

Black's notification tells when he should appear in court, within a 30-day period, and advises him to bring records, witnesses, or other proof of his defense with him. Failure to appear in court would cause the claim, plus costs, to be charged against him, he is further advised.

### Handle Misdemeanors

Once the two parties meet in court the judge explains procedure and if the two parties agree to waive their right of counsel, trial by jury, and right of appeal an informal proceeding begins and the case is decided. The only time an attorney may appear in the Small Claims Division is when he is personally involved in a case.

The new court is the lowest on the judicial ladder with the Supreme Court on the highest rung. All present Circuit Court misdemeanors will be handled by the District Court as well as civil jurisdiction cases up to \$3,000. This includes contracts and torts (any civil injury).

District Court for this area will be in session in both Schoolcraft and Alger counties, since the law requires all cases to be tried in the county where the offense occurred.

A Magistrate's Court will undoubtedly be established by the new district judge in both counties, with the approval of the county boards, and replace the present Justice of the Peace courts. The magistrate may accept pleas of guilty in traffic or conservation cases (but cannot try a person if a not-guilty plea is entered); issue

search and arrest warrants; set bonds, fix bail and bind over, if probable cause is found, individuals to Circuit Court. He may also perform marriages and act as a Circuit Court commissioner if he is a member of the Bar, but all court activities will be under District Court supervision.

### Four-Year Term

The magistrate's salary will be set by the county board and, as provided by law, may be not less than \$5,000 annually or \$20 per diem for a full day. The counties will pay their magistrates while the district judge's salary of \$18,000 yearly is borne by the State of Michigan. The judge is elected to a four-year term. A court recorder will also be on the payroll at \$6,500 annually with the County Clerk acting as Clerk of the Court in the smaller courts.

Traffic bureaus, staffed by clerks, may be established in villages and outlying districts for the collection of traffic fines according to a set schedule.

The district court comes into being under the new Michigan constitution and only Wayne County is exempt from the establishment of District Courts. The constitution also provides that district judges may be assigned by the Supreme Court to sit in Probate or Circuit Court if vacancies should occur.

Three lawyer-candidates are running for district judge in the Alger-Schoolcraft District: Harold Beaton and Robert Berger of Manistique, and Charles Stark of Munising. The two polling the highest votes in the Aug. 6 primary will run against each other in the November general election. The judgeship is a non-partisan office.

## People

Mrs. Hulda Butcher and sons Kevin and Joey of Chicago spent the weekend visiting with the Alvin Nelson family, 324 Range St.

Mrs. Grace Jewett of Walled Lake and Mrs. Fred Stephens of Kalamazoo recently visited with their sister, Mrs. Leonard Males, Range St., and Miss Mary Stephens, N. Houghton Ave.

## Seek Highway Route Decision

LANSING (AP)—Gov. George Romney has called a meeting of selected arbitrators who will make the final decision in a 4½-year dispute over a section of freeway in Oakland County. The first meeting of the arbitration panel was set for Aug. 13 at the Oakland County Courthouse, Pontiac.

The three panel members, to be chosen by the six affected communities from a list provided by the governor, are to consider information from the State Highway Department, the cities and other interested parties. The dispute has delayed construction on part of the 26-mile I 696 freeway.

Gladstone News

Briefly Told

David Livermore, 1709 Michigan Ave., was ticketed by Gladstone City Police for careless driving.

State Police issued a traffic court notice to Stephen R. Makosky, 501 S. 16th St., for drag racing.

Michael Kurth of Gladstone Rte. 1 received from State Police a traffic court notice for failing to report a property damage accident after his car sideswiped a parked auto on County Road 414 in Wells Township at 1:45 a. m. July 28. Officers said Kurth failed to stop after striking the parked auto owned by Herbert Iverson of Escanaba Rte. 1.

Church Events

Ice Cream Social

Trinity Episcopal Church will sponsor an ice cream social on the church lawn at the corner of 9th St. and Dakota Ave., Sunday afternoon.

Home made cakes and ice cream and coffee will be served from 3 to 8 p. m. The public is invited to attend.

Andrew Jackson, who later became president, shot and killed Charles Dickinson in a duel.

MR. AND MRS. Charles Albrecht, 1721 Dakota Ave., Gladstone, received word recently that their son, Army Spec. 4 Michael W. Albrecht, was injured last week when the patrol vehicle in which he was riding ran over a land mine in Vietnam. He is recovering in a Vietnam hospital from the blast, which caused the fracture of a few vertebrae. Albrecht was identified erroneously in an earlier article as his twin brother, Peter. The Press regrets the error.

Gardeners sometimes locate colonies of squash bugs by their noxious odor. The pests take their name from squash, pumpkins and other gourds they eat.

## Smith To Head Michigan Week

Dr. Raymond Smith, president of Michigan Tech at Houghton, is the new deputy general chairman of Michigan Week for the Upper Peninsula and the northern part of the Lower Peninsula.

His appointment was announced today by Dale I. Sellers, president of the Greater Michigan Foundation, with praise of Dr. Smith and an invitation to all citizens to join in year-around promotion of their state. Sellers is senior vice president of Bank of the Commonwealth, Detroit. Dates of the 16th annual Michigan Week are May 17-24.

"Ray Smith is one of the Midwest's outstanding university presidents and one of the ablest leaders in development of the Great Lakes area of which Michigan is the hub," Sellers said. "I hope every citizen in the northern part of the state will fall in behind him and work devotedly for Michigan's progress and promotion during the coming year."

Dr. Smith will immediately appoint five regional chairmen, who in turn will name county chairmen. Aim is to have all communities organized for the

Dr. Raymond Smith

1969 Michigan Week by early fall.

His 26 counties comprise Section A in the Michigan Week state organization and cover a third of the state geographically. Region 1 consists of Baraga, Gogebic, Houghton, Iron, Keweenaw and Ontonagon counties; Region 2, Alger, Delta, Dickinson, Marquette, Menominee and Schoolcraft counties; Region 3, Chippewa, Luce and Mackinac counties; Regions 4 and 5, comprise 12 Lower Peninsula counties.

As deputy general chairman he succeeds Richard Larsen, city manager of Sault Ste. Marie, whose work in Michigan Week during the past five years was lauded by Gov. Romney.

### Budd Strike In Canada Settled

KITCHENER, Ont. (AP)—The United Auto Workers Union ratified a new three-year contract Tuesday with the Budd Automotive Company of Canada Ltd., ending an eight-week strike of 750 workers at the company's Kitchener plant.

The company said the new contract parallels that reached earlier between the UAW and Canadian subsidiaries of U.S. automotive manufacturers, giving Canadian workers wage parity with their U.S. counterparts in the third year.

## Romney Signs Veterans Bill

LANSING (AP)—Gov. George Romney today signed into law a bill making World War I and Vietnam veterans and their dependents eligible for assistance under the State Veterans' Trust Fund.

This puts them on an equal basis with veterans of World War II and the Korean War.

The measure will affect some 80,000 World War I veterans over 65 years of age and, potentially, some 150,000 veterans of the Vietnam War.

The measure will have immediate effect.

## Griffin Boomed For Veep Post

WAUKESHA, Wis. (AP)—A former congressional colleague of Sen. Robert P. Griffin, has sent about 3,000 letters to fellow Republicans and businessmen urging them to support the Michigan Republican for the GOP vice presidential nomination.

Griffin was not told of the effort at grassroots support in advance, said Donald E. Tewes, a former representative from Wisconsin who now heads a small plastics firm in Waukesha.

"I was afraid to ask," Tewes said. "What can a man say when you put him on the spot and ask him if he wants to be vice president?"

Tewes said he had received about 65 responses to the letter, all of them in favor of it. About 1,000 letters were sent on the Tewes firm's letterhead by Tewes himself, he said, while other businessmen sent 2,000 more on the same stationery to their own acquaintances.

"He (Griffin) does not have the personal resource and public relations staff to keep him in the limelight and I thought this was one way I could help," Tewes said.

"As his colleague in the House," Tewes wrote in the letter, "I observed his rare talent for rallying strong personalities and diverse philosophies around practical solutions to government problems."

Tewes said that "most important" is Griffin's "knowledge and the courage to tackle one of the most serious problems on the domestic scene: labor-management relations."

The Wisconsin businessman, who served in the House from 1956 to 1968, said, "Griffin has all the right things going for him. He has a good record on civil rights. He is a true moderate. He has insisted on fiscal responsibility but has not closed eyes to urban and other social problems."

Tewes did not say who he favors as the GOP presidential candidate, but said he would be from New York. Both Gov. Nelson Rockefeller and Richard Nixon are registered voters in New York.

Griffin could not be reached for comment.

## Powers-Spalding Church Picnic

Members and their families of Grace Lutheran Church gathered at Veteran's Memorial Park in Powers on Sunday, July 28 for their annual picnic. Lunch was potluck, and games for the children were directed by Pastor Phillip Kuckhahn.

### Briefs

Mrs. Thomas Behrend and girls of Green Bay are spending the week with her parents, Mr. and Mrs. Russell Sargent Sr., of Spalding.

Mr. and Mrs. Roger Murray and family of Muskego, Wis., are visiting friends and relatives in the Powers and Spalding area.

Mr. and Mrs. Holger Nelsen of Spalding returned recently from Racine, Wis. where they were the guests of Mr. and Mrs. Harold Nelsen and family. Miss Kathleen Nelsen also returned home at this time, after spending a few weeks with the Nelsens in Spalding, and her maternal grandparents, Mr. and Mrs. Ed Taylor of Schaffer.

Mr. and Mrs. Warren Kudzma and family, Rockford, Ill. are vacationing with her mother, Mrs. John Fazer, Sr. of Powers.

### Stork Shower

Mrs. Jerome Wells of Powers was surprised with a stork shower on Monday evening, July 29 at the home of her grandmother, Mrs. Vina Perry of Spalding. The party was hosted by Mrs. Ralph Veaser, Mrs. John Behrend, Mrs. Richard Barker and Miss Penny Hawrylow.

The gift table was decorated with pink streamers and a paper stork and a large cake decorated with booties and pink roses graced the buffet table. Mrs. Wells was presented with a corsage of pink roses, and party games were enjoyed by all.

### Birth

Word has been received of the birth of a daughter on Wednesday, July 24, to Mr. and Mrs. Kieth King of Ishpeming. She has been named Jacqueline Marie, and weighed 8 pounds, 6 ounces at birth. The infant is their second child and second girl. Mrs. King is the former Diane Peters, daughter of Mr. and Mrs. Harry Peters of Hermansville.

### Art Show

The Mesdames, Karl Behrend, Alvin Kinberg, Theodore Dault, Edward Grau, Milton Riedy, Douglas Geline and Don Shannon, members of the local art club, "Palette and Brush", attended the "Art on the Rocks" arts and crafts show held in Marquette over the weekend.

Which Of Our 4700 Stores Get The Best Beef?

Believe it or not, there are some people who think the quality of our beef varies from store-to-store. It's not true!

Every one of our Meat Departments offers the same high-quality beef, the only quality we sell...“SUPER-RIGHT” Quality. Our quality specifications for “SUPER-RIGHT” Beef are so high that some beef graded “Choice” just isn't good enough to be labeled “SUPER-RIGHT.” This one “high quality” policy for all stores applies to all the meats we sell.

It is true, that where customer demand calls for it, you will find thicker steaks, double lamb chops, etc., but they are all cut from the same quality meat that is available in every A&P Meat Department. After all, to satisfy customer demand is just plain good business.

One other thing we want you to know. No matter where you live, if you want that thick steak, double lamb chop or any cut you don't see in the case, just ask for it. WE CARE about, and want to satisfy, every customer... and we mean every customer.

## Annual Potluck Supper Held At Schaffer

Sacred Heart Church of Schaffer was host to 36 women at the annual St. Anne potluck supper Tuesday evening in the church hall.

President Mrs. B. Johnson, led the group in prayer. Cards were played after the meal with awards going to Mrs. Ed Taylor, Mrs. Leontine Ranguette, Mrs. Alex Sololenski, Mrs. Conrad Herioux, Mrs. Eli Taylor and Mrs. Betty Johnson. Mrs. Louis Sabourin was awarded the guest prize. The oldest member present was Mrs. Victor Auger and the furthest member traveling the farthest distance was Mrs. Maude Finnegan of Harvey, Ill.

## Social Leaders Appointed For GOP Convention

WASHINGTON (AP) — Social activities ranging from breakfasts to fancy parties will be in the political arsenal of the contenders for the Republican presidential nomination at the party's convention next week.

In their efforts to gain the nomination, the GOP campaigners have appointed social directors to provide hospitality to the 2,666 delegates and alternates at the Miami Beach convention.

If a delegate works at it he could spend the entire week receiving everything from his morning orange juice to his evening dinner and drinks, with entertainment thrown in, all without spending his own money.

Richard Nixon's social leader is Patricia Reilly Hitt, official hostess at the 1964 GOP convention in San Francisco. She now is co-chairman of the Nixon for President Committee.

The Nelson A. Rockefeller party and entertainment director is Bertha Adkins, an Oxford, Md., resident who was an undersecretary of Health, Education and Welfare in the Eisenhower administration.

Both ladies plan events to provide platforms for their candidates to serve political pitches as well as canapés to the delegates. Parties will be held in beachfront hotels, clubs and boats.

Besides the events scheduled by the various contenders and their supporters, the convention goers will be treated to parties and dinners sponsored by the GOP as a whole.

## Events

**Senior Citizens**

The Senior Citizens Social Club will hold a social at 7:30 tonight at Club 314. All members are to attend as plans for Fair activities will be made. Cards and dancing will follow.

## Carol Miller Bride Of Ricardo Huerta M.

Nuptials uniting Miss Carol Joyce Miller and Ricardo Huerta M. were solemnized Saturday, June 15 at a 7 o'clock candlelight ceremony at the First Evangelical Free Church in St. Paul, Minn.

Officiating at the service was the Rev. Paul Twist. Soloist was Mrs. Keith Mattson and she was accompanied by Mrs. Paul Christian, both of St. Paul.

The bride is the daughter of Mr. and Mrs. Adolph Miller of St. Paul, former Gladstone residents and parents of the bridegroom are Dr. General Ricardo A. and Mrs. Huerta of Mexico City, Mexico.

Miss Vernice Lindquist of Ensign served as maid of honor and Glenn Sjoedin of Chicago was bestman.

**Bridesmaids**

Bridesmaids were Mrs. David Barton of Chicago, and the Misses Betty and Susan Miller, sisters of the bride. Groomsmen were Daniel Sjoedin of Chicago, Ragnar Hamnerberg of Carney and Dean Sundberg of Lake Forest.

Seating the guests were Keith Mattson of St. Paul and Leonard Rehme of Clintonville, Wis.

Flower girl was Donna Sjoedin of Chicago and carrying the rings was Conrad Anderson of Burnsville, Minn. Mary and Reyhault Miller, sister and brother of the bride, were candlelighters.

The bride, given in marriage by her father, wore a floor length gown of candlelight satin fashioned with a chapel length train and detachable lace overtrain, attached at the back neckline.

**Orchid Bouquet**

A three tiered crown headpiece held her veil of silk illusion and she carried a bouquet of cymbidium orchids.

The bridal aides wore floor length linen gowns in green and white and lavender and white with lace overlays. They wore pillbox headpieces and silk illusion veils to match their gowns and carried garlands of yellow carnations.

The wedding reception for 200 guests was held in the church parlors following the ceremony.

## Home In Mexico

The newlyweds are residing at Cesario Castro 7, col. Militar Huizachal, Mexico City, 10, D. F. Mexico, following a honeymoon in Puerto Vallarta and Guadalajara, Mexico.

The bride is a graduate of Gladstone High School and Bethel College, St. Paul, and Mr. Huerta is a graduate of the University of Mexico. He is presently assistant manager of the Mexican Rope and Cable Company in Mexico City.

The bride is the granddaughter of Mrs. Elias Sjoedin of Chicago and the late Elias Sjoedin, former residents of Escanaba.

## Newcomers Club Plans Annual Summer Event

The Escanaba Newcomers Club will hold their annual summer bridge luncheon and golf event, Thursday, Aug. 22 at the Escanaba Country Club beginning at 1 p.m.

Chairmen for the event are Mrs. John Sheldner and Mrs. James Vincenzi and they will be assisted by the Mesdames Richard Stichman, Paul Schilling and Tony Pittanti.

Tickets will be available next week at Gust Asp's, the West End Drug Store and Gartner's.

## EHS Class Of 1948 Reunion Held Saturday

The Escanaba High School class of 1948 held its 20 year class reunion Saturday, July 27 at the Dells Supper Club with 110 persons in attendance.

Walter Johnson of Ford River gave the invocation and memorial for deceased members, Geraldine Robinson Lucas and Kathleen Daley. Dr. G. A. Anderson of Gwinn, master of ceremonies welcomed the group and reminisced from the Junior Hi-Lites and the Escanaban.

Mr. and Mrs. Edward Edick were special guests of the class and he also spoke briefly to the group.

## Special Prizes

Prizes were awarded to: Gilbert Bullock, Tucson, Ariz. traveling the farthest distance; Robert Makosky, most recently married; Ed Wentworth, youngest baby; Ernie Belanger, least hair; Margie Johnson Belongie, most children and Dr. G. A. Anderson, first reservation received.

The committee also presented Beverly Goodreau Larson a corsage and the table centerpiece was presented to Walter Johnson.

## On The Sidelines

With Mike Utt

Wisconsin National Life Insurance of Negaunee claimed another tournament championship over the weekend as they swept aside four foes to win the Rhinelander Invitational Tournament. Woody's Bar of Ishpeming topped Edward's Chevrolet of Iron Mountain for third place.

Wisconsin National Life also grabbed a good share of the individual tournament honors as Bob Wills was rated the Most Valuable Pitcher; Dale Beerman received the award for the Most Outstanding Catcher and L'Huillier got the Most Valuable Infielder award.

The Felch Rangers made it ten victories in a row by defeating Daggett, 6-4, in a Wishigan League game Sunday at Daggett. A victory against Birch Creek Sunday would give the Rangers the Wishigan title.

Dick Pole of Ewen-Trout Creek, reportedly eyed by major league scouts, beat the Bessemer Speed Boys to give Ewen-Trout Creek a 2-1 victory and clinch at least a tie for the Western Upper Peninsula Baseball League title. Pole struck out 17 in the seven inning game.

Mrs. Florence (Flossie) Strong of Ontonagon is helping her husband fill the family trophy case by winning the Portage Lake Golf Club's Women's Invitational. Her husband, Dr. Jim Strong captured top honors in the Portage Lake Shortstop Golf Tournament earlier this summer.

Randy Fochesato, Hermansville cage star for the past several seasons, has been awarded an athletic scholarship to Lake Superior State College at Sault Ste. Marie.

Tom McKie, a graduate student from Escanaba, teamed with Albert Mouradian to finish in the runner-up spot in the Michigan State University paddleball doubles intramural championships this summer.

First hole-in-one scored on Marquette's new 18-hole golf course was posted by 14-year old Frank Nettle, who used an eight iron to ace the 120-yard 12th hole.

## Barney Expects Same Pressures

DETROIT (AP) — Lem Barney expects the Detroit Lions to be putting more pressure on opposing defenses this year.

But the National Football League's 1967 defensive rookie-of-the-year doesn't expect any surprises for himself from opposing offenses.

"The pressure will be about the same," said the 6-foot, 190-pound Detroit Lions speedster, who tied for the league lead with 10 pass interceptions last year.

"The quarterbacks are going to have to throw the ball somewhere so the pressure is always there."

Coach Joe Schmidt, whose teams have been noted for defensive ability, said Barney "put a fresh bit in our defense."

The slick second-year cornerback from Jackson (Miss.) State returned his 10 interceptions 232 yards, scoring three touchdowns.

Only one touchdown pass was tossed against Barney all year, a remarkable record even for the most seasoned NFL cornerbacks.

Barney averaged 37.4 yards on 47 kicks while filling in for the injured Pat Studstill and also helped out on punt and kick-off returns.

He said the Lions, who finished with a 5-7-2 record last year, may have suffered from the problem of "getting too high, too soon" after losing three of four games following a season opening 17-17 tie with the champion Green Bay Packers.

"We started losing and began demoralizing ourselves," he said. "But we won our last two games and we've made some good trades this year. I took for the team to be 50 to 75 per cent improved."

Barney said most of the veteran players reported to camp in fine physical condition despite a threatened players strike settled only the day before training camps opened.

"Even during the strike, most of us worked out at the University of Detroit field," he said. "I don't think conditioning will be much of a problem."

He said he didn't think the defense would be hurt much by the loss of defensive end Darris McCord through retirement and linebacker Ernie Clark in a trade.

"McCord will be tough to replace but John McCambridge had a good year as a rookie and John Baker will help our club."

McCambridge, a second year line-backer and defensive end, is from Northwestern. Baker was acquired in a trade with the Pittsburgh Steelers and the 10-year veteran is considered one of the finest defensive ends in the NFL.

# Wilson Shuts Out Yankees In Three Hit Performance

DETROIT (AP) — Mel Stottlemyre of the New York Yankees is a pretty fair pitcher in the American League and he doesn't see too many problems ahead for the Detroit Tigers as they close in on the pennant.

"Somebody's got to get hot," Stottlemyre said Tuesday night after absorbing his eighth loss of the season against 13 wins. "I don't think they're (the Tigers) going to collapse."

But Mayo Smith, manager of the Tigers, who beat the Yankees 5-0, is cautious—even modest—when questioned about the team Detroit is likely to face in the World Series. Detroit leads by seven games.

"This is only July," observed Smith, who was right by little more than 24 hours. But after several seconds of silence he grinned and said, "I'm sorry to say I haven't had a chance to get over into the National League."

"It's too early for anything of that nature," said the manager grinning. "We've got enough problems in this league."

One of his problems was not pitcher Earl Wilson, who allowed the Yanks three hits Tuesday night. Wilson, 9-8, was pulled in the ninth inning after walking Mickey Mantle.

Manager Smith said he took out his pitcher because Wilson's left knee obviously had started to ache. Wilson developed the sore knee last Friday against Baltimore.

"Truthfully speaking, I can't exactly say where it (the knee) is hurt," said Wilson after the game. "There's not really any pain... it's hard to explain."

The knee was wrapped in a sturdy leather and metal harness and Wilson said it seemed to do the job. Smith said he had no apprehensions about starting

## Highland Golf Race Tightens

Five teams are within five points of the league leaders in the tight Highland Golf Club Twilight League Race. Doug's Dubbers lead the pack with 77½ points.

Dave Erickson and Dave Friets shot 37's last night to pace the golfers in the league. Mel Manske finished with a 38 and Done Wertz came through with a 39.

Following Doug's Dubbers are the Free Swingers, 76½; Bogey Men, 76; Super Value, 74½; Con's Clubbers, 73; Divot Diggers, 64; Has Beens, 62; Barney's Beavers, 62; Hackers, 60½; Dave's Dandies, 58; W.R.'s 57½; Smitty's Smackers, 54; 7 Dwarfs, 48 and the Ding-A-Lings, 36½.

The Civic Boosters defeated Cable TV, 21-20, in a Girls' Softball League game played last night at Royce Park. Linda Dye got credit for the victory on the mound for the Civic Boosters. Diane Marrier, Pam Johnson, Linda Dye and Connie Sovey paced the Civic Booster hitting attack.

## Gibson Breezes By Mets For 12th Straight Win

By The Associated Press

Bob Gibson, who's been dealing almost exclusively in zeros for two months, shrugs off an occasional odd number on the scoreboard.

Tony Cloninger hardly can afford the luxury.

Gibson's latest shutout string was severed at 23 innings Tuesday night but the St. Louis ace breezed past the New York Mets 7-1 for his 12th consecutive victory.

Meanwhile, Cincinnati's Cloninger, whose next shutout will be his first in two years, blanked Philadelphia on three hits for seven innings but had to settle for relief help and a 5-2 victory that sent the Reds into second place in the National League.

Cloninger, acquired from Atlanta in a trade last month after an injury-plagued 1967 flop with the Braves, failed to go the distance for the 17th time in as many starts this season.

Pittsburgh swept a two-night doubleheader from Atlanta 8-5 and 5-4 in 10 innings, dropping the slump-ridden Braves from

the runner-up spot to third. Los Angeles edged Houston 3-2 and the Chicago Cubs trampled San Francisco 10-4.

Gibson checked the Mets on five hits, including a run-scoring double by Ed Kranepool in the fourth inning, in boosting his season mark to 15-5. Eight of his victories have been shutouts and he has allowed just three runs in 101 innings since June 2.

With an earned run average of 0.96, the 33-year-old fireballer is zeroing in on Grover Cleveland Alexander's all-time ERA mark of 1.22, set in 1915.

But don't mention all those figures to Gibson. He couldn't care less.

The Cardinals made it a cakewalk for Gibson Tuesday night by striking for five runs in the fourth inning, with Julian Javier's two-run single the key blow. The league leaders' 23rd victory in 29 games this month gave them a 14-game bulge over the Reds.

Rookie Johnny Bench cracked his ninth homer as Cincinnati staked Cloninger to a 5-0 lead over the floundering Phillies. But Tony Taylor opened the Phils' eighth with a single, then kicked the ball out of Woody Woodward's hand as the Cincy shortstop tried to start a double play on Roberto Pena's ground-

## Indians Get Over Big Play By Hansen To Win

By The Associated Press

Ron Hansen of Washington pulled off the first unassisted triple play in the major leagues in 41 years, but it didn't take the Cleveland Indians long to get over it.

After falling victim to Hansen in the first inning Tuesday night, the Indians went on to build up an 8-0 lead by the end of the fifth en route to a 10-1 breeze over the Senators.

"It was an easy game—after we got eight runs ahead," joked Cleveland manager Al Dark.

The Detroit Tigers and Baltimore, who had no problems with triple plays, also had easy times as the American League race remained at the status quo.

Detroit rolled behind Earl Wilson's hitting and pitching to a 5-0 victory over the New York Yankees after the Orioles used six runs in the seventh inning to bomb Boston 8-3 in the afternoon.

The Tigers still lead the Orioles and Indians by seven games.

In the only other game, Oakland halted the Chicago White Sox' four-game winning streak with a 3-1 triumph.

Hansen got Cleveland off to a bad start after Dave Nelson singled and Russ Snyder walked in the first inning. Joe Azcue lined to the shortstop, who stepped on second to double Nelson, and then tagged Snyder coming from first base on the hit-and-run.

Only seven other players have accomplished the feat, the last two in 1927 when shortstop Jim Cooney of the Chicago Cubs and first baseman Johnny Neun of Detroit did it. Second baseman Bill Wambagans of the Indians got his in the 1920 World Series. Frank Howard gave Washington a 1-0 lead in the second with his 30th homer, but the Indians

## Mets Place Ryan On Disabled List

NEW YORK (AP) — Rookie right-hander Nolan Ryan of the New York Mets was placed on the disabled list for 21 days Tuesday night and Jim McAndrew was recalled from Jacksonville of the International League.

## Dick Knoll Tops Escanaba Golfers

The Dandies, Roger's Dodgers and the Hush Puppies finished in a first place tie last night as the Escanaba Country Club Men's Twilight League enters its second half of play. All three teams totaled 7½ points.

Dick Knoll topped all golfers with a 39 followed by Bill Eis Sr. with a 41 and Jim Savastano with an 42. Fran Boyce was closest to the pin on hole Number 7.

Jack-Pot winners for the evening were the Finishers. The team of Vern Wicklander, Bill VanEffen, Bill Mulvaney, Ed Sackerson and Dr. Kirk Harrington finished with a net 182 score. Ben Shomin had a total of 11 putts for nine holes without any chip-ins.

Team Standings: Dandies 7½; Roger's Dodgers, 7½; Hush Puppies, 7½; Lions, 7; F-Troop, 6½; Finishers, 6; B-F's, 5½; Toby's Boys, 4½; Ice Boxes, 3½; Masters, 3; Chown's Clowns, 2½; Sand Baggers, 2½; Pea Soups, 2 and the Tornado's 1½.

the Washington Senators. McLain has lost just three times in 27 starts. Frank Bertaina (4-8) is scheduled to pitch for Washington.

Wilson opened the scoring for Detroit in the third inning driving his third homer of the season into the lower right field seats. McAuliffe followed Wilson and pulled his 13th homer into the upper right field seats.

Jim Northrup then doubled to left center and moved to third when Stottlemyre threw out Al Kaline at first. Norm Cash lined to Yankee second baseman

Horace Clarke, but the Tigers stayed alive when Willie Horton went to first after being hit by a pitch. Stottlemyre got himself out of the jam by striking out Bill Freehan.

The Tigers came right back for two more runs in the fourth as Kaline doubled down the left field line to drive home Dick Tracewski and McAuliffe, both of whom had walked and then moved up on a single by Northrup.

Cash scored the Tigers final run after leading off the fifth inning with a double off the right field fence. Horton walked, Freehan grounded out and Wert was put on first intentionally, loading the bases. Cash came home as Clarke threw out the next batter, Tracewski, at first.

## History, Pass Attack Going With All-Stars

CHICAGO (AP) — The College All-Stars, a 16-point underdog, have history and a potentially hot passing attack going for them against the mighty Green Bay Packers in the 35th All-Star football game Friday night.

With one exception since 1950, the hand-picked collegians have upset the always-favored pros once every five years.

Overall, the pros hold a 23-9-2 margin in the Soldier Field spectacle started in 1935. The last time the collegians won was in 1963 with a 20-17 shading of the Packers.

Before that, the All-Stars triumphed 35-19 over the Detroit Lions in 1958, after previously winning in 1955, nipping the Cleveland Browns 30-27, and—five seasons earlier—in 1950, by 17-7 over the Philadelphia Eagles.

If Norm Van Brocklin, former Minnesota Viking coach is to make a successful All-Star coaching debut Friday night, his quarterback duo of Gary Beban of UCLA and Greg Landry of Massachusetts probably will have to blaze away as successfully as Wisconsin's Ron Vanderkelen did in the 1963 derailling of the Packers and Michigan State's Jim Ninowski in the 1958 trimming of the Lions.

Beban and Landry, both highly regarded pro prospects for the Washington Redskins and Lions respectively, seemingly have the grab-and-take-off receivers to cause the Packers trouble.

It was Vanderkelen's 74-yard pass play with Badger Mute Pat

## Menominee LL Ousted

It was the end of the tournament trail for Menominee Little Leaguers yesterday as they dropped a 4 to 1 decision to a rangy Wausau Western team at Spies Stadium in Menominee. Wausau threatened to make a run away of the game as they hopped on Craig Haglund for 3 quick runs in the top of the first, but the young right hander settled down, and except for an unearned run in the final inning, Menominee was in the game all the way. ## Nahma Golf Club Tourney Results

NAHMA—Kathy Zerbe of Flint and Dean Roddy of Gladstone walked off with first place finishes in the Ladies' Open and Men's One Club Golf Tournaments held at the Nahma Golf Club over the weekend.

Miss Zerbe totaled a 94 to finish ahead of second place finisher Sally Fontaine of the Escanaba Country Club. Helen Voisine of Manistique finished third. Marie LaBrasseur of Flint took the top honors in the handicap division ahead of Lill Howe of Manistique and Marie Esther of Madison, Wis.

Roddy scored an 81 using a 4-wood to give him his third title in the event. Elroy Zimmerman of Escanaba placed second and J. C. Miller of Gladstone, Orville Larscheid of Nahma and Gary Ridley of Flint finished in a tie for third.

In the handicap division, Jack Tripp of Garden placed first followed by Albert Ellison of Gladstone and Rube Michaels of Green Bay, Wis.

## Tiger Tales

DETROIT (AP) — Tigers Notes and Quotes:

Mavo Smith, manager of the Detroit Tigers, says he can be superstitious under the right circumstances. "If I do something different or wear something different and we start winning, I remember and keep doing it. Why not?"

"I'm not going to try to second-guess those pitches," said New York pitcher Mel Stottlemyre after Tuesday's loss to Detroit. "(Earl) Wilson hit a curve and (Dick) McAuliffe hit a changeup. But I felt they were both good pitches."

"He (Earl Wilson) survived a real tough test tonight," said Detroit manager Mavo Smith after Wilson hurled three-hit ball into the ninth inning against the Yankees and posted his ninth win of the year. He suffered a knee injury last Friday.

The Tigers turned thumbs down Tuesday night on a couple of youths who appeared to be trying for a spot on the team... possibly as pinch runners. In the seventh inning as Mickey Mantle was waiting to bat for New York, a young man bolted from the center field stands and ran toward the infield. He executed a less-than-perfect slide into second, regained his feet and started back toward the outfield. He was called out at the center field wall as two guards caught him and carried him away.

In the ninth inning another youth rushed from the stands and attempted to shake hands with Norm Cash, Tigers first baseman. He attempted to escape through a third base box, but was met by an unamused fan who pushed him into the hands of a guard.

After the Tuesday night game at Tiger Stadium, one of the concession stands was held up by an armed robber. No injuries were reported and the take was believed to be small.

Ace hurler Denny McLain starts his 27th game tonight for the Tigers, seeking his 21st victory of the season against just three losses. He became the first American League pitcher to win 20 games this season, a 9-0 victory last Saturday over Baltimore.

The Tigers have been in first place in the American League since May 10. Last year at this time they were in third place, three games off the pace.

## All-Star Camp Notes And Quotes

The biggest man on this year's All-Star squad is Russ Washington, a defensive tackle from Missouri. He stands six feet six and weighs 315 pounds.

It takes a whole roll of tape (10 yards) to wrap one of Washington's ankles. But in this age of football giants, that is only three more yards than it takes for the average All-Star.

One of the most valuable men in the attack of the College All-Stars when they meet the Green Bay Packers in Chicago on August 2 could be Jerry DePoyster, kicking specialist from Wyoming. DePoyster set National Collegiate Athletic Association records for most field goals in a career, 34, and most points by kicking, 182.

While other members of the All-Stars go through their daily drills, DePoyster works on a field off to the side with youngsters shagging balls for him.

Twenty-seven of the 50 players on the All-Star squad are from Western universities, an unusually high total.

One of the most critical areas for College All-Stars going against pro football champions is the defensive secondary. Colleges prefer zone defenses on pass coverage while the pros use mostly man-to-man.

"Our defensive backs have a lot of range," stated All-Star Coach Norm Van Brocklin. "I would say Jim Smith (Oregon) and Jon Henderson (Colorado State) could step in at cornerback and play in the National Football League right now."

Larry Csonka, the hard running fullback from Syracuse, has been impressive in All-Star workouts to date. Admitting Csonka has made an impression on hand, Van Brocklin added, "And I think he'll make some impressions on Green Bay—maybe some depressions, too."

Ron Yary, the 265-pound offensive tackle from Southern California, has impressed everybody in the All-Star camp with his ability and desire. Yary is one of the hardest workers on the squad and VanBrocklin said, "The greatest thing going for him is that he has the proper attitude."

# Blood Donations Need Never Ends

## RED CROSS BLOOD PROGRAM

The need for contributions of blood to the Delta County Red Cross blood bank never takes a vacation — although the summertime appeal for donors comes at a time when many are vacationing.

For this reason — plus the fact that summertime brings an increased demand for blood — the Red Cross is asking that persons who may never before have contributed blood do so when the Bloodmobile comes to Delta County in August.

"Blood needs are higher in the summer with increased traffic on the highways and more people engaged in recreational activities, but the response to bloodmobiles is generally lower," reports Mrs. Edward C. Olsen, Red Cross blood procurement chairman for Delta County.

"Fewer people are in the cities where the collection takes place. It is urged by the Red Cross that these people feel strongly their responsibility to support the blood program and take the necessary step to assure its success — and come in to give a unit of blood," she added.

The bloodmobile will be in Delta County Aug. 7, 8 and 9 and the quota for the three days totals 307 units.

On Wednesday, Aug. 7, the bloodmobile will be at the James T. Jones School in Gladstone from 3 to 7 p.m. The day's quota is 77 units.

Thursday and Friday, Aug. 8 and 9, the bloodmobile will be at the Teamsters Hall in Escanaba and the quota for each day is 115 units. Hours on Thursday are 2:30 to 7:30 and on Friday 10 a.m. to 3 p.m.

### 'Crash Repair' System Saves Highway Cash

LANSING (AP) — The State Highway Department has announced that a 3.6 mile section of the eastbound Edsel Ford Freeway in Detroit will be closed for eight hours Sunday under a new "crash maintenance system."

A large force of workmen will be assigned to the maintenance project that ordinarily would take six weeks or more under the usual system of repairing one lane of the highway at a time.

The workmen will repair 11 major pavement breakups and make numerous repairs. They also will clean and inspect catch basins, light fixtures, signs and bridge piers and will paint pavement lines.

The department said repairs cost about 80 per cent less through the "crash" system. It also is safe for workmen and means less inconvenience for motorists.

## Panax Acquires Lansing Area Publishing Firms

The Ingham County News Inc., publisher of the 109-year-old Ingham County News and the Community News at Holt and printer of approximately 40 publications in Michigan has been sold to Panax Corp. of East Lansing.

The sale was announced jointly by John P. McGoff, president of Panax and Richard W. Brown and Jim Brown of the Ingham County News Inc., Tuesday afternoon.

#### Publications Continue

Panax Corp., a Michigan company, currently owns and operates daily newspapers in Alma, Mt. Pleasant, Escanaba, Iron Mountain, Marquette and Ypsilanti, Mich., and radio and television properties in Michigan and Missouri.

McGoff said Richard Brown will continue with the Panax organization as general manager of the Ingham County News and the Community News. Lloyd Baer will continue in his present position as general manager of Inco Graphics, the division responsible for the printing of more than 40 weekly publications.

Jim Brown was named director and will serve the Panax group as vice president.

McGoff and Richard Brown stressed that no changes will be made in the concept of either of the newly acquired publications. They said the publications will continue to be dedicated to providing full public service to the people in the areas in which they serve.

#### Panax Pleased

"Panax and the Browns have been close business friends for many years," McGoff said. "At Panax we have long appreciated their high standards and their rapid growth in web offset printing. We have seen the Browns and their company expand in a few years from a dozen employees to nearly 100. Their impact is felt in many sizable communities throughout central and southern Michigan."

"It is the intention of those of us at Panax to utilize to capacity the talent and expertise of the staff at Ingham. We are excited about the acquisition of The Ingham County News and are mindful of our responsibilities to the readers, advertisers, printing customers and employees of this 109-year-old institution."

The News has been in the Brown family since 1923. Vernon J. Brown, grandfather of Richard and Jim Brown, and former Lieutenant governor of Michigan, acquired the newspaper in 1923.

## Romney Gives Danhof Boost

LANSING (AP)—Gov. George Romney today endorsed his long-time legal advisor, Robert J. Danhof, in his bid for a seat on the State Court of Appeals.

Danhof is one of three candidates for the court in the 16-county Second District. One candidate will be eliminated in next Tuesday's primary, with the other two facing off in November.

Also in the race are Oakland County Prosecutor S. Jerome Bronson of Oak Park and Appeals Court Commissioner John F. Foley of Birmingham. Romney said Danhof, his legal advisor since 1963, "is a man dedicated to the cause of public service and to the sound application of the laws of our state."

The two met during the 1961-62 constitutional convention, where Romney was vice president and Danhof judiciary committee chairman. When Romney won the governorship in 1962, Danhof was the unsuccessful Republican candidate for attorney general.

### Delegate Quits

LANSING (AP) — Peter B. Fletcher of Ypsilanti has withdrawn as a Michigan delegate to the Republican National Convention, state GOP headquarters announced Tuesday. Fletcher, who withdrew for personal reasons, will be replaced by E. O. Weber of Northville, who had been an alternate delegate.
